

Boreal Shores Art Tour

August 20 & 21, 2022

Saturday 10am - 5pm

Sunday 10am - 4pm

Immerse yourself in our World....

A Road Trip with a Difference

Photo by Shirley Kurian

The **Boreal Shores Art Tour** is a free, self-guided driving tour featuring individual artist studios and group artist locations throughout Eastern Manitoba. Divided into three colour-defined regions, the studios and group locations are indicated by coloured dots with stop numbers in them. Group locations are further defined by letters designating each artist at the stop.

The Tour is an adventure and, like any good adventure, presents a mixture of surprises and challenges. The locations are a combination of old and new, public and private spaces. Some are easy to get into  others have stairs  (7). Some have washrooms available  others do not. (Wheelchair accessibility is varied, so please call ahead for information.)

We have tried our best to guide you from place to place with detailed maps and written instructions, as well as road and location signs, but if you have any questions, or find yourself lost, please contact us:

Art Project for 2022 – A Boreal Slice of Life!!!

The artists on the 4th Boreal Shores Art Tour have been challenged to create a work of art centred around the theme of “A Boreal Slice of Life”. It is not a mandatory thing so not all artists will have an entry ready but when you tour each studio location, keep your eye out for one entry specially marked with a distinctive number. You will be able to note your favourite in each of the 3 regions – North, Centre and South – on the Passport as you travel. The votes will be tallied after the tour and winners will be announced.

The winners in 2019 were Rick Cline in the South region, Demi-Raine in the Centre and Charles & Judy Shepard in the North. Don't forget to vote for your favourites this year! This year the winner in the South will receive a gift card for the Spicy Radish, the winner in the Centre will receive one from Papertown and the winner in the North will receive one from the Birchwood Motor Inn.

A Message from Janice Charko...

In 2016, a small group of us met to discuss an art tour in our area. Arlene Bohn came up with the marvellous name that really got our creative juices flowing. I assumed the lead and it became a preoccupation of my mind that I had not anticipated possible. But it grew and people – artists and tour goers – loved the first event. Then the second and the third...

It has been my privilege and my honour to lead this group forward and now that I must step away, it warms my heart to see new enthusiasts taking the reins and making sure the Tour does not die! They are not all new – Stu Iverson has been with us from the start and Arlene is still on board! But next year with Stu Iverson, Louise Kress, Diane Silverthorne and Roy Ward all looking forward at how it can be even better, I feel my legacy is safe!

Thank you to everyone who has volunteered to work on the Tour, to the municipal councils who were so supportive and generous, to the artists who participated each year and to the art loving public without whom it would be pointless. I thank you all.

A campaign graphic for Wayne Ewasko. It features a background image of a calm lake with a dense forest of evergreen trees on the far shore under a blue sky with light clouds. In the foreground, a portrait of Wayne Ewasko, a middle-aged man with short brown hair, wearing a dark suit, white shirt, and blue patterned tie, is overlaid. He is smiling slightly. Below the portrait, the text "Wayne Ewasko" is written in a large, bold, blue sans-serif font, and "MLA for Lac du Bonnet" is written below it in a smaller, bold, red sans-serif font. At the bottom of the graphic, there is a blue wavy banner containing the phone number "204.268.3282" and the email address "wayne@wayneewasko.com" in white text.
